

Position vacant:

## Musical Director -Tea Tree Gully Redbacks

---

**About us:** The Tea Tree Gully Redbacks are an outstanding community band, well known for their energetic and unique performances. They are a versatile band, having the ability to perform as a marching band, concert band, stage band and smaller ensembles. They have performed not only locally in Adelaide and South Australia, but also interstate and overseas.

The band has a focus on musical excellence in a supportive environment, welcoming players of all ages from diverse backgrounds. The playing group takes pride in the high standards they set themselves, the way they present themselves on the street when marching and their ability to memorize street repertoire which enables them to focus on engaging with the audience through choreographed moves.

The position of Musical Director has become vacant for the first time since the band was founded in 1995 and an exciting opportunity exists for an experienced musical leader to become The Redbacks next Musical Director, commencing in January 2024. If you believe you have the vision, ambition and commitment required to ensure that the band continues to thrive, then please send an expression of interest including a brief resume and 2 referees to the email listed below.
